Dear Sir:

Submitted herewith is one set (six sheets, six figures) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to the drawings for reasons stated in the Office Action dated November 1, 2005. Specifically, in Figures 1-6 "numbers and characters not plain and legible."

The enclosed new drawings correct these informalities.

Favorable consideration of the enclosed drawings is respectfully requested.

Dated: December 14, 2005

Respectfully submitted,

By
